

A.S. in Agricultural Science
to
Bachelor of Arts in Agribusiness Management

How Articulation Agreement Works

This plan leads to a Bachelor of Arts (B.A.) degree in Agribusiness Management at Illinois College. Students will fill out applications for both schools, consult the advisors and catalogs from both schools for specifics. This completion guide is designed to ensure graduation in four years by taking courses full-time at both Kaskaskia College and Illinois College. This guide assumes students have met all course prerequisites required by Kaskaskia College and admission requirements for Illinois College.

Upon completion of the first two years' requirements at Kaskaskia College, students will receive an Agriculture Business Management (A.S.) degree.

A minimum cumulative grade point average of 2.00 should be achieved for admission to Illinois College and maintained to graduate as an Agribusiness Management major.

Illinois College accepts up to 88 credits upon transfer.

Students will be required to complete all Agricultural major requirements at Illinois College and any remaining general education requirements.

Kaskaskia College

Illinois College

Notes:

Notes for Illinois College:

1. A minimum of 120 semester credit hours are needed for graduation.
2. A minimum GPA of 2.0 will be required overall, in the major and in the minor(s).
3. Twenty-four of the last thirty-two semester hours must be taken at IC.

Get Started

Visit <https://www.ic.edu/agribusiness> to find out more about the Agribusiness program. You can then apply at Illinois College in one of two ways:

1. Be a part of our 2+2 Degree program by filling out our admissions application at [ic.edu/apply](https://www.ic.edu/apply). You can choose to join the 2+2 program at any point *prior* to earning 30 credits at your community college.
2. Fill out the admissions application at [ic.edu/apply](https://www.ic.edu/apply) at any time and select the date you would like to transfer into IC.

The degree plan is a four-year plan that leads to a Bachelor of Arts degree in Agribusiness Management at Illinois College and the Associate in Science degree at Kaskaskia College.

Students intending to complete the degree from Illinois College should follow the list of courses outlined in this brochure.

This 2+2 degree map has been reviewed and accepted by both schools as an illustration, which is subject to change.
